ORDERING INFORMATION

To encourage online orders, orders dropped off in store will incur an additional \$5 processing fee. To avoid this fee, place orders via the website.

Free pick up at any selected store. If you wish to have your order posted, this will be available at a cost up to \$7.95 per child, with tracking. All postage orders will be dispatched after the new year. We strongly encourage placing orders before the 14th of January; express delivery may be an option after this time.

Missing Items: Ensure you review your order on delivery and advise within 7 days via email only to info@learningpod.com.au. Any claims after this date this won't be accepted.

Back orders / Substitute items: We reserve the rights to substitute items where relevant for the best interest of the child, ready for school. Should any items be on back order, we will advise and provide updates about delivery. At worst, this could be the first weeks of school for orders placed later in January. We encourage placing orders, especially textbook orders, early. We have no control over national shortages.

IMPORTANT
